Please contact KONE Sales for more information.

KONE provides innovative and eco-efficient solutions for elevators, escalators, and automatic building doors. We support our customers every step of the way, from design, manufacturing, and installation to maintenance and modernization.

KONE is a global leader in helping our customers manage the smooth flow of people and goods throughout their buildings.

Our commitment to customers is central to all KONE solutions. This makes us a reliable partner throughout the lifecycle of your building. We challenge the conventional wisdom of the industry. We are fast, flexible, and, with such innovations as KONE MonoSpace®, KONE MaxiSpace™, and KONE InnoTrack™, we have a well-deserved reputation as a technology leader. You can experience these innovations in architectural landmarks such as the Trump Tower in Chicago, the 30 St Mary Axe building in London, Schiphol Airport in Amsterdam, and the Beijing National Grand Theatre in China.

KONE employs over 34,000 dedicated experts to serve you in over 50 countries.
